Artium Tap Company

Yes / No (circle one)

Under the direction of Kristina Linden, ARTIUM is a tap performance company based out of Rachael Poirier's Poirier Productions. With ARTIUM's focus being to preserve the rich history of tap dance, students will explore other aspects of training. Audition preparation, acting, singing, confidence building, and other skills necessary to thrive in the world of performing will be at the forefront. This performance based company is meant to supplement other training and take dancers to the next level.
